New Low Price THE NEW FORD ROADSTER

Delivered---Fully Equipped

The New Ford Has A Remarkable Engine

THE engine of the new Ford embodies many new mechanical features. It is unusual in performance because it gives quick acceleration, smoothness, speed and power without sacrifice of reliability and economy.

The design of the cylinder head is just one factor in this performance. Others are the specially designed carburetor, the new hotspot manifold, the carefully planned large valve diameter, the chrome silicon alloy valves, the aluminum pistons, the statically and dynamically balanced crankshaft and flywheel, and the simplicity of the electrical, ignition, cooling, lubrication and fuel systems. Of special importance is the manner in

which engine vibration is absorbed before it reaches the chassis of the car, thereby preventing unpleasant vibration periods. This is done in the new Ford through the introduction of a flexible front end support that is both simple and practical—a truly remarkable improvement in engine mounting

developed after many months of testing and

Drop in some day soon and inspect every detail of the Ford engine. You'll call it one of the sweetest mechanical jobs you've ever seen.

He structive measures and policies. made for the following gubernato the public. I am in thorough just always carried eggs, butter. Following is Judge Carnley's full statement regarding his candidacy: party in the State. The last of statement regarding his candidacy: Demogratic Conventions.

"I am announcing my candidacy held at Montgomery on September of the Power Trusts, and see it carried enough to do all his tradfor the high office of Governor. I 7, 1922, declared that the tax laws operated in the interest of the faring and then he would have a few for the high office of Governor. I am grateful to God for good health and ability to work.

"I realize very fully the magnitude of this undertaking in submitting my claims to the people of Alabama. I do not approve of large expenditures in political campaigns. I value support based upon issues, and not the use of came of near beer or "Bevo" in Alabama of the large expenditure and not the use of came of near beer or "Bevo" in Alabama of the large expenditure of near beer or "Bevo" in Alabama of the large expenditure of near beer or "Bevo" in Alabama of the large expenditure of the south. A double benickels left to give the children when he got home. But there was always milking three or four the vast industrial machinery of the State. My candidacy for Governor will not have the support of the south. A double benickels left to give the children when he got home. But there was always milking three or four the vast industrial machinery of the State. My candidacy for Governor will not have the support of the south. A double benickels left to give the children when he got home. But there was always milking three or four the vast industrial machinery of the State. My candidacy for Governor will not have the support of the support of the south. A double benickels left to give the children when he got home. But there was always milking three or four the vast industrial machinery of the State. My candidacy for Governor will not have the support of paigns. I value support based upon issues, and not the use of campaign funds. I have always stood for clean, honest campaigns for public office. It has been said that a public office is a public trust, and certainly no public servant or trustee of the people should be biased in the administration of the biased in the administration of the contract of the Isth Amendment to the Constitution of the United States. I am not ashamed of the prohibition am not ashamed of the prohibition.

We killed a bin proposing the sate was called a bin proposing the sate the State. My candidacy for Governor will not have the support of the Alabama Power Company, its political attorneys, agents and propagandists I challenge the right of the Power Trusts to manipulate the politics of a free State and a free citizenship.

It has been said that no farmer ever went broke who had a good bunch of high grade milk cows. If this is so, then why not all of use the State Highway I sale. He could always sell more than he could raise. Ed made to for money and moved off to political attorneys, agents and propagandists I challenge the right of the Power Trusts to manipulate the politics of a free State and a free citizenship.
